## OFFICE RELOCATION

# EMI MUSIC PUBLISHING

Interior fit-out of 65,000 RSF space accommodates office relocation and new home for music publishing office. The space consists of general offices, open plan workstations, creative areas and offices, conference rooms, performance space, lounge/cafe and incorporates several music listening rooms for product development and showcasing.

AD's team paid special attention to the Performance Space and adjacent Lounge/Café, the Music Spa, A&R Listening Rooms, as well as to open and enclosed spaces in which music listening is an integral part of the office's operations.
