

MUSIC PERFORMANCE & INSTRUCTION

JACK H. MILLER CENTER FOR MUSICAL ARTS

New \$22M, 64,000 SF state-of-the-art music education building dedicated performance and rehearsal spaces including:

- An 800-seat concert hall
- A smaller 150-seat recital hall
- 5 large dedicated large rehearsal rooms for instrumental, choral, jazz, percussion and organ
- 20 individual practice rooms
- 25 faculty studios
- Recording Suite of Control and Recording Rooms

Hope College is a long term member of NASM and the new facility design will be in compliance with NASM standards for accreditation.

AD served a key role in the project's planning and development and remained an active partner as it progressed towards completion.
